It is noticed from the schedules received so far that some of the Treasuries are not allocating the collections towards the several sub-heads included under the General Head "The War Relief Fund" and intimated in Circular No. 407 B-II, dated 1st—3rd April 1940 but are crediting the entire collections to the general head referred to above. It is essential that the collections should be allocated to the proper sub-heads, columns for each of which should be opened in the schedules. Treasury Officers are requested to pay their personal attention to this matter.
